Subject: We'll Get Your Garden Winter-Ready—For FREE!

Hi Mr. Darcy!

This is Gareth, from Green Leaf Lawn Care. Thanks for putting your trust in us this year to take care of your lawn needs!

We take that responsibility seriously. Our goal is to provide the best service and results in the greater Seattle area!

We also want to remind you to sign up for your FREE “Put Your Garden to Bed for the Winter” service. These 2-hour appointments take place late October through mid-November and they book up quickly.

Call us today ([727-886-4023](tel:727-886-4023)) to schedule this **free** appointment.

How do we put your yard “to bed for the winter?” During this appointment, we’ll...

- Rake, blow, and remove all leaves.
- Mow and edge your lawn for the last time this season.
- Prune your trees and shrubs (including haul away).
- Treat your ornamental garden beds to prevent weeds from coming back next spring.

While we’re completing your service, we’d love to have one of our reps chat with you for about 15 minutes. We want to make sure you were satisfied with this year’s service, and discuss any lawncare needs you may have for next year.

If you love to have your yard looking its best for the holidays, we urge you to take advantage of this **free** appointment.

Get your preferred time and day by calling us now! ([727-886-4023](tel:727-886-4023))

Look forward to serving you soon!

Gareth

P.S. We want to make sure you have our free [Pacific Northwest Lawn Care Calendar](#). You should have received it when you signed up for our service, but if you're like us, it may have been swallowed up by your inbox. It contains great lawncare tips for each month of the year!
